Dividends will be distributed equally to all shareholders, regardless of their date of issuance and acquisition with in the legal period following the approval of the General Assembly on the date determined by the General Assembly. Dividend payments will be made once or in instalments.

Articles of Association of the Company determines that the Company may distribute advanced dividends in accordance with the applicable legislation.

Unless all reserves required by law are set aside and the dividend determined for the shareholders as per these Articles of Association are distributed, it cannot be resolved to set aside other reserve funds, or to carry forward profit to the next year, or to distribute profit to the holders of dividend shares (shall be written if there are any holders of dividend share), members of the Board of Directors, employees of the partnership and to distribute profit to these persons unless the dividend determined for the shareholders is paid in cash.

Provided that all reserves required by law are set aside and the dividend determined for the shareholders as per these Articles of Association are distributed, General Assembly can transfer a portion or all of the net profit to the extraordinary reserves. If the Board of the Company offers the General Assembly not to distribute dividend, the reason for not distributing dividends and information about the usage of undistributed profit needs to be presented to the shareholders at the General Assembly Meeting.
